Bark W. H. Dimond at Irmgard—Schooner
Spokane Brings Northwest Lumber—
Jennie Wand Visits Kahului.

Australia tomorrow.
The Peru arrived in Hong
Kong September 23.

The bark Rufus E Wood sailed
for Nainaimo yesterday in ballast.
Inspector Storey says the Belgic
from Yokohama will be in to-
night.

The schooner Jessie Minor re-
turns to Honolulu with lumber
from Eureka.

Captain Campbell of the IIS
N Company is again at his post
after a fortnight's vacation on the
Garden Isle.

The barkentine W H Dimond
is discharging a lot of live stock
and general merchandise at Irm-
gard wharf consigned to Wm G
Irwin & Co Ltd.

The schooner Jennie Wand
arrived in Kahului with a general
merchandise cargo October 4 and
sailed for the Golden Gate in
ballast October 7.

The schooner Oceania Vance
and bark Woolahra are chartered
for lumber from Eureka to Syd-
ney, and will probably come this
way again with coal from New-
castle.

Barks Andrew Welch, Martha
Davis and Mohican return to Ho-
nolulu from S F in the Planters'
line, while the schooner Jessie
Minor is chartered for lumber
hither from Eureka.

The following vessels of the U
S Navy are at Mare Island: Bal-
timore, Charleston, Hartford,
Marietta, Marion, Mohican,
Monadnock, Monterey, Oregon,
Pensacola, Pinta, Ranger and
Thetis.

Captain E P Drew of the Ha-
waiian bark Andrew Welch is
now taking a well-earned vacation
in Maine and New York, and
during his absence Captain Twine
will be in command of the bark,
which is due here from San Fran-
cisco about the end of the month.

The British bark Woolahra has
been discharging rock at Simp-
son's wharf, says the Humboldt
Times of September 24. The
rock will be sent over to this city
on lighters. The ship's crew is
on a strike, giving as a reason the
lack of quantity and quality of
the food they receive. People
living in the immediate vicinity
of Simpson's dock drew a sigh of
relief when they saw the vessel
leave for Samoa, for the crew of
the vessel have been making night
hideous with a "tom-tom" band
that would do credit to a Chinese
Joss House. The Woolahra will
be remembered as making a
record trip from Newcastle to this
port from whence she sailed for
Humboldt August 30.

Papa Pays The Bills

The whole family wear shoes. There may
be half a dozen pairs all going along on the
wide road to destruction at once—half a dozen
pairs of feet helping to pile up the figures on
the expense side of Papa's ledger.

Papa is the one who knows what it is worth
to save a quarter on the price of every pair of
shoes he buys. Hence Papa buys here.
